

Mike Rioux, CHMM

Senior Regulatory Specialist

Mike Rioux is Senior Regulatory Specialist at St.Germain Collins and is also a Certified Hazardous Materials Manager. Working in the industrial sector and as an environmental consultant since 1992, Mike has considerable experience applying environmental regulations to industrial and commercial operations. Mr. Rioux specializes in conducting cost savings and compliance efficiency assessments, developing environmental compliance programs, auditing and air, hazardous waste and wastewater permitting.

Prior to joining St.Germain Collins, Mr. Rioux was employed as President of MPR Environmental Management, Inc., Director of Compliance for Environmental Chemistry Consultants, Inc. and as Environmental Manager for Bath Iron Works at the Bath, Brunswick and Portland, Maine facilities.
